

RYAN PATRICK

2022 CRESCENT CUVÉE

TASTING NOTES

This delightful Rhône-style white blend greets you with lovely aromas of white peach, nectarine, and cherry blossom. On the palate, you'll enjoy its rich and smooth flavors of crème brûlée and shortbread cookies, leading to a wonderfully pleasant finish.

VARIETALS

30% Viognier, 28% Rousanne, 23% Marsanne, 20% Grenache Blanc

AVA

Columbia Valley

VINEYARDS

Sugarloaf, Ancient Lakes, Boushey

VINEYARD NOTES

The Columbia Valley lies in the rain shadow of the Cascade Mountain range. The low desert region has an arid and semi-arid, continental climate with limited rainfall. Irrigation is therefore required to grow vinifera grapes. However, the Columbia River is one of the largest rivers in the country and it provides the life-giving irrigation needed to cultivate a thriving wine-producing paradise.

ANALYSIS & PRODUCTION NOTES

Alc. by Vol. 13.5% | RS: 1.68 g/L | TA: 5.7 g/L | ph: 3.51

Production: Barrel aged for 18 months in used French & American barrels

BRAND MISSION

Ryan Patrick vintners select only the most promising grapes from which to produce the wines. This sentiment is carried throughout the entire winemaking process. Traditional winemaking principles are paired with only the finest fruit. The result is wines that are balanced, well-integrated, and fruit-forward. They can be enjoyed immediately or cellared for additional depth and complexity. Ryan Patrick wines are the embodiment of a dream woven into years of dedication and hard work.

OUR STORY

We are a family owned Washington grown business. At Evergreen Family Wines we craft our wines with the love for our state first and foremost with the uttermost concentration to create excellent wines at values that are incomparable.

With over 3,000 estate acres located on the Wahluke Slope AVA and Ancient Lakes of Columbia Valley AVA, and two state-of-the-art wineries, we have the ability to be Washington State's largest grape to table wine company. All our wines utilize estate grown fruit using sustainable farming methods.
